- ☐ Pack an essentials bag with medications, toiletries, chargers, basic tools and a change of clothes
- ☐ Change your mailing address

MOVING DAY

- ☐ Load immediate-need items last so they come off first
- ☐ Set up beds, bathroom basics and kitchen essentials first
- ☐ Keep children and pets in a safe, low-traffic area

AFTER THE MOVE

- ☐ Walk through the old and new property for forgotten items or damage
- ☐ Confirm utilities and essential services are working
- ☐ Meet the neighbors and learn basic community information
