

FLORIDA HURRICANE PREPAREDNESS CHECKLIST

A homeowner's guide to preparing before and recovering after a storm

PREPARE BEFORE A STORM IS IN THE FORECAST.

INSURANCE & DOCUMENTS

- ☐ Review homeowners and flood insurance coverage with your insurance professional
- ☐ Know your hurricane deductible
- ☐ Photograph your home's interior and exterior
- ☐ Store digital copies of policies, IDs, mortgage documents and emergency contacts

HOME PREPARATION

- ☐ Inspect roof, gutters, windows and doors
- ☐ Test shutters or storm-protection systems
- ☐ Trim trees and secure loose outdoor items
- ☐ Know how to shut off water, electricity and gas if necessary

EMERGENCY SUPPLIES

- ☐ Water and non-perishable food
- ☐ Flashlights and batteries
- ☐ First-aid supplies and prescription medications
- ☐ Portable chargers and weather radio
- ☐ Pet supplies and important records
- ☐ Fuel vehicles and charge devices

AFTER THE STORM

- ☐ Photograph damage before cleanup when safe
- ☐ Contact your insurer promptly for covered damage
- ☐ Contact your mortgage servicer if a declared disaster affects your ability to make payments
- ☐ Use caution with contractors and keep repair receipts
